SAMPLE CONVERSATIONS

Example 1: In this example we will look how we can make the order by the help of chat bot.

MP Helper: My name is MP Helper. I will answer your queries about you orders. If you want to exit, type Bye!

User: hi

MP Helper: hello

User: how can you help me?

MP Helper: I can help you by providing you MENU and also solving different issues related to your orders.

User: can you please show the menu?

MP Helper: Menu: veg pizzas: onion, tomato, capsicum, margherita, cheese, farmhouse, peppy paneer, deluxe veggie, cheese and corn. non veg pizzas: chicken ,mutton, non veg supreme, chicken tikka.

User: one onion pizza.

MP Helper: pizza order received wait for a while till the order gets ready.

User: thanks

MP Helper: You are welcome..

Example 2: Here we will check how a chatbot will help you solve the problem related to order.

MP Helper: My name is MP Helper. I will answer your queries about you orders. If you want to exit, type Bye!

User: How do I check the status of my order?

MP Helper: to check your order status please write the order number.

User: 588669

MP Helper: order no 588669 is about to get ready.

User: thanks

MP Helper: You are welcome..
